File No. 393

Cal. No. 444

(As Amended)

**"AN ACT REQUIRING THE ISSUANCE OF UNITED WE STAND  
COMMEMORATIVE NUMBER PLATES."**

1 After the last section, insert the following:

2 "Sec. 9. Section 3 of public act 00-180 is amended to read as follows  
3 (*Effective from passage*):

4 Not later than January 31, 2001, the Commissioner of Motor  
5 Vehicles shall submit a report to the joint standing committee of the  
6 General Assembly having cognizance of matters relating to  
7 transportation concerning the implementation of the provisions of  
8 subsections (c) and (g) of section 14-164c of the general statutes, as  
9 amended by this act. The report shall include all proposed changes and  
10 revisions to the standards and methods employed for the conduct of  
11 emissions inspections, the number and locations of official inspection  
12 stations, and the amount and method of collection of the inspection  
13 fees. The report shall advise the status of the state implementation

14 plan, and of any revisions that have been made or are proposed to be  
15 made to said plan, as required to be submitted and approved by the  
16 United States Environmental Protection Agency, in accordance with  
17 the applicable provisions of the federal Clean Air Act, as amended,  
18 USC Title 42, Sections 7401 et seq., and the regulations promulgated  
19 thereunder. The commissioner shall not enter into any contract, or  
20 amendment to any contract that is currently in force and effect,  
21 pursuant to the provisions of subsection (e) of section 14-164c, of the  
22 general statutes, unless such proposed contract or amendment is first  
23 submitted to the joint standing committee of the General Assembly  
24 having cognizance of matters relating to transportation. The  
25 commissioner shall provide the committee with a plain language  
26 summary of the proposed changes and a statement describing the  
27 fiscal impact of the proposed changes. Said committee shall hold a  
28 public hearing on the proposed contract or amendment not later than  
29 fifteen days after the receipt of such contract or amendment and shall  
30 examine the proposed contract or amendment and may make such  
31 recommendations within forty-five days to the commissioner as it  
32 deems necessary or advisable concerning the following: (1) Efficiency  
33 and effectiveness of delivery of services; (2) economy of services; (3)  
34 environmental impact; and (4) contractor qualifications, including, but  
35 not limited to, capacity for performance and accountability. The  
36 commissioner shall make such modifications to the proposed contract  
37 or amendment, prior to its execution, to incorporate the  
38 recommendations of said committee, unless such commissioner  
39 provides the committee with a written explanation detailing why such  
40 recommendations are not in the best interest of the state and should  
41 not be adopted."
